Dear Traders,

The Classic Motorshow is proud to be at Ugbrooke House again, the home of Lord Clifford, and is now an established event since its rehoming in 2012. Since moving to Ugbrooke, it has grown from strength to strength. Already an established show prior to its move, numbers have continued to rise, with 2014 being the highest yet. In 2015 there was an abundance of visitors, exhibits and trade stands.

2016 was a fantastic and successful event, and we are grateful that the Hon. Alexander Clifford has graciously agreed to allow us to use his grounds again this year. We are hoping to raise even more money with a bigger and better event

Visit our website for more details and of our monitored, Facebook page. Don't forget to like us and leave a message.

Thank you all for your support and we look forward to seeing you.

Richard & Mel
